2. NAMED MEMBER AND MEMBER

It is agreed that the unqualified word “Member” wherever used in this Coverage Document includes not only the Named Member specified on the Declarations Page but also the following subject to all other terms, conditions, limitations and exclusions in this Coverage Document:

- a. Any official, trustee or employee of the Named Member while acting within the scope of that person’s duties as such, and any person, organization, trustee, or estate listed as an additional covered party hereunder or to whom the Named Member is obligated by virtue of a Covered Contract to provide coverage under Section III-A. Agreement C such as is offered by this Coverage, and only in respect to operations by or on behalf of the Named Member.
- b. With respect to Section III-A. Agreement E, any person while using an owned automobile or a hired automobile and any person or organization legally responsible for the use thereof, provided the actual use of the automobile is with the permission of the Named Member. Any employee or official of the Named Member with respect to the use of a non-owned automobile while in the course and scope of providing services for the Named Member, is a Member but only for the purpose of the application of Agreement E as excess to any primary insurance. With the exception of the Named Member this Coverage does not apply:
 - (1) To any person or organization, or to any agent or employee thereof, operating an automobile sales agency, repair shop, service station, storage garage, or public parking place, with respect to any accident arising out of the operation thereof;
 - (2) To any employee of the Named Member with respect to injury to or sickness, disease, or death of another employee of the same Named Member injured in the course of such employment in an accident arising out of the maintenance or use of the automobile in the business of such Named Member;
 - (3) With respect to any hired automobile, to the owner, lessee or any agent or employee of such owner or lessee;
- c. Volunteer workers of the Named Member while acting within the scope of their duties as authorized by the Named Member.
- d. With respect to Section V-A. Agreement K and Section VI-A. Agreement L:

 - (2) All persons who during the Period of Coverage are present or former members of commissions, boards, or other units operated by and under the jurisdiction of the Named Member; and

- (3) All persons who during the Period of Coverage are present or former employees of the Named Member; and
- (4) In the event of death, incapacity, or bankruptcy of a covered Member, the estate, heirs, legal representatives, or assigns of such Member.
- (5) A Member's lawful spouse who is the subject of a claim by reason of (a) status as spouse, or (b) ownership interest in property which the claimant seeks as recovery for alleged Wrongful Acts or Covered Events of the Member. This provision does not apply to any claim alleging any Wrongful Act or omission by the Member's spouse.

3. TERRITORY

This Coverage applies worldwide.

4. LIMITS OF LIABILITY

- a. Limits of liability as stated on the Declarations Page.
- b. For the purpose of determining the applicable per Occurrence limit of liability under Section III Coverage, or any other valid or collectible casualty coverage under another Fund Coverage Document, all losses and damages arising out of continuous or repeated exposure to substantially the same general conditions or attributable directly or indirectly to one cause or a series of similar causes (be they proximate or immediate) shall be considered one Occurrence. All losses and damages shall be added together and the total amount of all losses and damages will be treated as arising out of one Occurrence.

5. NOTICE OF LOSS

This Coverage is issued to the Named Member on the condition that all losses incurred or claims made against the Member are reported to the Fund promptly and as more specifically set forth in any Coverage Agreement hereunder. It shall be the duty of the Named Member to designate by position a person(s) responsible for the prompt reporting of any claim or loss to the Fund and/or the designated claims service organization appointed by the Fund. It is agreed that any report delayed by more than 30 days substantially prejudices the Fund.

6. APPLICABILITY OF COVERAGE TO PARTIES TO A CIVIL UNION

All coverage definitions and coverage provisions referencing a spouse or other member(s) of a person's family shall include parties to a civil union under Vermont law, and their families, and shall be interpreted to provide equivalent coverage for married couples, civil union couples, and their families.

I-B. General Coverage CONDITIONS

1. DEDUCTIBLE

- a. Occurrence Coverages: The Fund pays only the amount of loss or damage in any one occurrence that exceeds the deductible amount stated on the Declarations Page.
- b. Claims Made Coverages: The deductible stated on the Declarations Page applies to each and every claim made.
- c. The deductible shall not apply to any liability claim where the only payments made under this Coverage are attorneys' fees and expenses of defense.

2. COVERAGE CONTRIBUTION

The coverage contribution required of the Named Member shall be as quoted to the Named Member and stated on the Declarations Page.

3. SALVAGE AND RECOVERY

All salvages, recoveries, and payments recovered or received subsequent to a loss settlement under this Coverage shall be paid to the Fund not to exceed loss settlement, attorneys' fees, and expenses paid by the Fund.

4. INSPECTIONS, AUDITS, AND VERIFICATION OF VALUES

The Fund or its representatives has the right, but is not obligated, to inspect the Member's property and operations at any time. However, the inspections or reports are only for the Fund's benefit, and are not intended to be relied upon by the Member to discharge any obligation it may have to its employees or otherwise. Any inspection or report, or advice given to the Member by or on behalf of the Fund shall not warrant that the property or operations are safe, healthful, comply with any regulations, or are covered. The Fund shall be permitted at all reasonable times during continuance of the Coverage to examine the Named Member's books or records so far as they relate to protection afforded by this Coverage.

Detailed, itemized inventory records of all covered property must be maintained by Members at all times.

5. RECORDS

It is hereby understood and agreed that the records and books as kept by the Named Member may be used by the Fund in determining the amount of loss or damage covered hereunder.

6. DUE DILIGENCE

The Member at the Member's expense shall use due diligence and do and continue doing all things reasonably practicable to avoid or diminish any loss of or damage to the property herein covered. In the event the Member fails to exercise such due diligence, the Fund shall deny the claim to the extent such loss or damage is attributable to the Member's lack of due diligence.

7. CANCELLATION AND NON-RENEWAL

a. Cancellation for Nonpayment of Contribution

If the Named Member fails to pay any contribution when due, the Fund shall have the right to cancel the Named Member's Coverage under this Coverage Document. The Fund shall provide the Named Member notice of cancellation by certified mail not less than fifteen (15) days prior to the effective date of cancellation together with the reason thereof.

b. Cancellation For Other Reasons

(1) The Fund may also cancel the Named Member's coverage for the following reasons, the factual basis of which shall be determined solely by the Fund.

- (a) Fraud or material misrepresentation in any dealings with the Fund; or
- (b) Violation of any of the terms or conditions of the Coverage Document; or
- (c) Violation of the terms of the Member Agreement; or
- (d) Substantial increase in hazard.

(2) Notice of Cancellation for Other Reasons

The Fund shall provide the Named Member notice of the cancellation by certified mail not less than sixty (60) days prior to the effective date of cancellation. The reason or reasons for cancellation shall accompany the notice of cancellation.

(3) Cancellation for substantial increase in hazard shall be effective only after prior approval of the Vermont Commissioner of the Department of Financial Regulation.

c. Non-Renewal

(1) The Named Member may elect to non-renew this Coverage only at the end of a Period of Coverage. The Named Member must both:

- (a) Provide the Fund with sixty (60) days' advance written conditional notice of non-renewal, and
- (b) Provide the Fund with written actual notice of non-renewal before the close of business of the last business day of the Period of Coverage.

(2) If the Fund decides not to renew this Coverage, the Fund will mail or deliver to the Named Member written notice of the non-renewal not less than sixty (60) days before the end of the Period of Coverage.

8. BANKRUPTCY AND INSOLVENCY

In the event of bankruptcy or insolvency of the Named Member or any entity comprising the Named Member, the Fund shall not be relieved of the payment of any claims hereunder because of such bankruptcy or insolvency, unless the Fund's right to process or defend any claim has been prejudiced for any reason including the lack of cooperation or access.

9. OTHER INSURANCE

- a. If the Named Member has other insurance against loss covered by this Coverage, the Fund shall be liable under the terms of this Coverage, only as excess of coverage provided by such other insurance, even if the other insurance policy designates the Fund as primary.

- b. Permission is hereby granted for the purchase of insurance to apply as excess of the Coverage provided hereunder.

10. MORTGAGE

The interest of any mortgagee on property covered hereunder is included as if a separate endorsement were attached hereto to the extent of the amount of the mortgage as of the date of loss, subject to the terms, conditions, limitations, exclusions, and limits of liability set forth in this Coverage.

11. LOSS PAYMENTS

When it has been determined that the Fund is liable under Section II: Property or Section IV: Crime and Fidelity, the Fund shall thereafter promptly reimburse the Named Member for all covered payments made in excess of the deductible up to the limit of liability stated on the Declarations Page. All adjusted claims shall be paid or made good to the Named Member within ten (10) working days after the Fund and its reinsurers determine there has been a satisfactory proof of interest and loss.

12. APPEAL

It is agreed that any decision to appeal a judgment under this Coverage shall be mutually agreed by the Named Member and the Fund. The decision to appeal shall not serve to increase the limit of liability provided under the Coverage or waive any coverage defenses.

13. LITIGATION PROCEEDINGS

- a. No suit to recover on account of loss under this Coverage shall be brought until sixty (60) days after denial of a claim, nor at all unless commenced within twelve (12) months after the amount of loss is made certain either by judgment against the Member after final determination of the litigation including any appeal or by agreement between the parties with the consent of the Fund.
- b. It is a further requirement prior to bringing any suit to recover on account of loss under this Coverage that the Member shall have exhausted the Fund's adopted claim appeal procedures allowing Member appeal of PACIF coverage determination.

14. SUBROGATION

The Fund shall be subrogated to all rights which a Member may have against any person or other entity in respect to any claim or payment made under this Coverage, and the Member shall execute all papers required by the Fund and shall cooperate with the Fund to secure the Fund's rights. The Member must do everything necessary to secure those rights, and nothing can be done after a loss to impair those rights. In the event of any reimbursement obtained or recovery made by the Member or the Fund on account of any loss covered by this Coverage, the net amount of such reimbursement or recovery, after deducting the actual cost of obtaining or making the same, shall be first applied in the following order:

- a. Amount of loss which exceeds the applicable limit of liability.
- b. To reduce the Fund's loss until the Fund is fully reimbursed.
- c. To reduce the Named Member's loss because of the application of the deductible.

15. WAIVER OF SUBROGATION

This Coverage shall not be invalidated if the Named Member by written agreement has waived or shall waive its right of recovery from any party for loss or damage covered hereunder, provided that any such waiver is made prior to the occurrence of said loss or damage.

16. CONFLICTING STATUTES

In the event that any provision of this Coverage is unenforceable by the Named Member under the laws of any state or jurisdiction wherein it is claimed that the Named Member is liable for any injury covered hereby because of non-compliance with any statute thereof, then this Coverage shall be enforceable for the Named Member with the same effect as if it complied with such law.

17. ASSIGNMENT

Assignment of interest under this Coverage shall not bind the Fund until the Fund's consent is endorsed hereon.

18. CHANGES

None of the terms, conditions, limitations, exclusions, and definitions of this Coverage Document shall be waived or altered except by endorsement; nor shall notice to or knowledge possessed by any agent of the Fund or by any other person be held to effect a waiver or change in any part of this Coverage Document. The expectations of a Member for coverage shall be determined by terms of the Coverage Document, and not interaction with the Fund or its agents.

19. MISREPRESENTATION, CONCEALMENT, OR FRAUD

If a Member or the Named Member shall make any claim knowing the same to be false as respects amount or otherwise, this Coverage shall be forfeited with respect to such a claim. Any willful concealment or misrepresentation of a material fact during the application process by any Named Member voids the Coverage.

20. ASSESSABILITY

It is understood and agreed that the Named Member is a participant of an intermunicipal insurance agreement and that the Named Member's contribution hereunder may include an additional assessment on a pro-rata basis if the total contribution of all Named Members proves insufficient to cover all claims attributable to Named Members under Coverage Documents issued for the Coverage Period.

The Fund hereby agrees, subject to the limitations, terms, and conditions hereunder mentioned, to: Indemnify and defend the Member for all sums which the Member shall become obligated to pay, all as more fully defined by the term Ultimate Net Loss, by reason of a Claim First Made against the Member during the Period of Coverage by reason of Wrongful Act(s) while acting within the scope of the Member's duties as such, and only with respect to operations by or on behalf of the Named Member.

The Fund will have no duty to defend a Member against any suit to which this coverage does not apply. In addition to covering the costs of defense, the Fund shall cover costs of investigation, appraisal, adjustment, settlement, or appeal of a specific claim, including court costs, appeal bonds, and prejudgment and post judgment interest (unless included as part of the judgment).

The Fund may, at its discretion, investigate any occurrence and settle any claim or suit that may result. The amount the Fund will pay for damages is limited as described in Section I-A General Coverage Agreement 4. Limits of Liability.

No other obligation or liability to pay sums or perform acts or services is covered unless provided for under a Coverage Amendment or Extension in Section V Public Officials Liability Coverage. Any claims made against the Member arising out of such Wrongful Act(s) shall, for the purpose of this Coverage Agreement, be treated as a claim made during the Period of Coverage in which such notice was given to the Fund, or, if given during the extended reporting period, as a claim made during the last Period of Coverage.

4. LIMIT OF LIABILITY

- a. For purposes of determining the Limit of Liability, all claims involving the same Wrongful Act or a series of continuous or related Wrongful Acts by one or more Members will be considered one Wrongful Act. For purposes of this paragraph, all such losses shall be added together and the total amount of such losses will be treated as arising out of one Wrongful Act, irrespective of the period of time or area over which such losses occur.
- b. To the extent that events constituting Wrongful Acts hereunder constitute or are alleged to constitute Covered Events within the scope of Coverage Agreement L: Employment Related Practices Liability, the events shall be treated as a single claim under this Coverage Document. **SECTION VI:
EMPLOYMENT PRACTICES LIABILITY
COVERAGE**

VI-A. Employment Practices Liability Coverage AGREEMENT

THIS IS A CLAIMS MADE COVERAGE

1. AGREEMENT L

The Fund hereby agrees, subject to the limitations, terms, and conditions hereunder mentioned, to:

- a. Indemnify and defend the Member for all sums which the Member shall become obligated to pay, all as more fully defined by the term Ultimate Net Loss, by reason of a Claim First Made against the Member during the Period of Coverage by reason of a Covered Event(s) while acting within the scope of the Member's duties as such, and only with respect to operations by or on behalf of the Named Member.
- b. The Fund will have no duty to defend a Member against any suit to which this coverage does not apply. The duty to defend shall end when the applicable limit of coverage has been paid by the Fund to or on behalf of the Member. In addition to covering the costs of defense, the Fund shall cover costs of investigation, appraisal, adjustment, settlement, or appeal of a specific claim, including court costs, appeal bonds, and prejudgment and post judgment interest (unless included as part of the judgment).

- c. **Non-Monetary Defense Limits**

Notwithstanding Exclusions 7 and 10 at page 95 stating that this coverage does not apply to actions seeking non-monetary relief, the Fund will defend a Member for such a claim if otherwise covered hereunder, and indemnify the Member for legal fees or expenses awarded a claimant in such an action, subject to the limit of liability stated on the Declarations Page.

With respect to legal cost and expense to respond to a Covered Event claim lodged with the Vermont Human Rights Commission or similar regulatory agency or authority, the Fund will defend the Member for such proceedings, and indemnify the Member for fees or damages awarded a complainant, subject to the limit of liability stated on the Declarations Page.

- d. The Fund may, at its discretion, investigate any occurrence and settle any claim or suit that may result. The amount the Fund will pay for damages is limited as described in Section I-A. General Coverage Agreement 4: Limits of Liability.

No other obligation or liability to pay sums or perform acts or services is covered unless provided for under a Coverage Amendment or Extension in Section VI Employment Practices Liability Coverage. No rights or defenses of the Fund are deemed waived by its conduct in providing a defense or investigating any claim or suit.

2. EXTENDED REPORTING PERIOD

In the event of non-renewal or termination of this Coverage Agreement, this coverage shall extend to apply to Claims First Made against the Named Member during the sixty (60)-day period following immediately upon such expiration or termination, but only for Covered Events committed or alleged to have been committed prior to such expiration or termination.

- a. The Named Member shall have the right to elect a supplemental extended reporting period which in no event shall exceed thirty-six (36) months. An additional contribution equal to

fifty percent (50%) of the contribution previously charged by the Fund shall be charged for each year for which the Named Member elects to have the reporting period extended.

- b. The right to elect an extended reporting period shall terminate unless written notice is given to the Fund not later than sixty (60) days after the effective date of cancellation or non-renewal.
- c. Extending the reporting period does not extend the Coverage Document Period of Coverage or change the scope of coverage provided. Subject otherwise to the Coverage Document's terms, limits of liability, exclusions and conditions, the coverage is extended to apply to Claims First Made against the Named Member during any applicable extended reporting period, but only to claims due to Covered Events occurring prior to the end of the Period of Coverage.
- d. Extended Reporting Periods do not reinstate or increase the Coverage Document's limit of liability. Claims which are first received and recorded during any applicable Extended Reporting Period will be deemed to have been made on the last day of the Period of Coverage.

3. NOTICE OF CLAIM

If, during the Period of Coverage or an extended reporting period, the Member shall receive written or oral notice from any party that it is the intention of such party to hold the Member responsible for any Covered Event(s), the Member shall give written notice thereof to the Fund as soon as practical. Any claims made against the Member arising out of such Covered Event(s) shall, for the purpose of this Coverage Agreement, be treated as a claim made during the Period of Coverage in which such notice was given to the Fund, or, if given during an extended reporting period, as a claim made during the last Period of Coverage.

4. LIMIT OF LIABILITY

- a. For purposes of determining the Limit of Liability, all claims involving the same Covered Event or a series of continuous or related Covered Events by one or more Members will be considered one Covered Event. For purposes of this paragraph, all such losses shall be added together and the total amount of such losses will be treated as arising out of one Covered Event, irrespective of the period of time or area over which such losses occur.
- b. To the extent that events constituting Covered Events hereunder constitute or are alleged to also constitute Wrongful Acts within the scope of Coverage Agreement K – Public Officials Liability, the events shall be treated as a single claim under this Coverage Document. Moreover, as stated on the Declarations Page, a combined single limit of liability per claim, and in the aggregate, shall apply to all Covered Events and Wrongful Acts within the scope of Coverage Agreements K and L.

5. SEVERABILITY OF INTEREST

Except with respect to the Limit of Liability and any rights or duties specifically assigned in this Coverage Agreement to the Named Member, this Coverage applies separately to each Member against whom a claim is brought.
