Hello Tad,

I will withdraw the Town's RTP grant application from this grant round. I will keep the Town of Fairlee's grant application on file, but if the town chooses to apply in another RTP grant round, it is likely there will be new applications & new pre-applications and the Town will need to submit using the applications current at that time.

Here's a couple links to pages on FPR's website, with plenty of recreation resources for future reference:

<https://fpr.vermont.gov/recreation>

<https://fpr.vermont.gov/recreation/partners-and-resources>

And stay tuned to both RTP and VT Outdoor Recreation Economic Collaborative (VOREC) grants that will become available through FPR to help support trails and local outdoor recreation assets.

All the best,

Sherry

Hello Sherry,

The Town is withdrawing our RTP grant application.

After further review it was concluded by the Selectboard that this is not the year to pursue the grant.

The town forest projects outlined in our grant are all priorities and will be addressed in future grant applications and Town budgets.

Can the grant attached be kept on file with your office, to be potentially applied to another RTP grant round?

Thank you,

Tad Nunez, Town Administrator
